

# POUJOL-LACOSTE

## IGP Cévennes - Red

Poujol Lacoste, in red and white, was the first parcel selection from Cave St Maurice. These two wines have become emblematic for all of the cooperators of the winery but also for the consumers who rate them highly. Poujol Lacoste brings a feeling of belonging and sense of pride of being a vigneron. Even if these wines come from specific parcels, it's everyone's wine!
