

SAINT MAURICE  
LE PIÉMONT DES CÉVENNES

# CLIMAT CÉVENOL BIO

## IGP Cévennes - White

The Climat Cévenol range is the expression of a winegrowing territory, that of Saint Maurice at the foot of the Cévennes. Climat Cévenol comes in three colors, the fruit of a selection of different expressions of terroir and varieties harvested in the north, south, east and west. They are the result of a remarkable climatology on account of the close proximity of the Cévennes. A part of these wine territories is carried out in organic farming.

**Soil:** Limestone-Clay

**Variety:** Chardonnay (selection of different territories)

**Age of Vines:** 20 to 40 years old

**Vinification:** Destemming and crushing, direct pressing, fermentations in thermo-regulated tanks
